

SAMPLE RESOLUTION OF THE [MUNICIPALITY i.e. COUNTY, CITY, TOWN, VILLAGE]

RESOLUTION NO. _____ AUTHORITY FOR [MUNICIPAL BODY]
PROPOSED BY: [RESOLUTION SPONSOR]

**RESOLUTION IN SUPPORT OF A “GREEN AMENDMENT” TO THE
NEW JERSEY STATE CONSTITUTION**

WHEREAS, the right of New Jerseyans to clean water, air and a healthy environment is not recognized in the State of New Jersey's Constitution;

WHEREAS, clean water, air, a stable climate and healthy environment are fundamental to sustaining healthy lives and a healthy economy;

WHEREAS, New Jersey State has a long history of environmental protection and leadership to protect New Jerseyans' health and environment;

WHEREAS, while environmental laws are designed to manage pollution, clean up and remediate contamination, and conserve natural resources, these laws do not support the notion that clean air, clean water, and a healthy environment are fundamental, inalienable rights;

WHEREAS, there are still a multitude of issues threatening New Jersey's water, air, natural resources, such as climate change, emerging contaminants such as PFAS and PFOA in our drinking water supplies, poor to failing air quality, and disproportionate adverse impacts in environmental justice and frontline communities;

WHEREAS, [Municipal Body] is also particularly concerned about [Fill in issues of particular interest and importance to the municipality]

[Example topics of concern/interest]

- flooding and flood damages / drought and drought damages are harming the health and safety of our communities.
- polluted air is increasing the rate of asthma, heart disease, lung cancer, ADHD and Alzheimer's in our state
- impacts of climate change are increasing, including sea level rise and detrimental changes to coast lines; loss of habitat and wetlands; loss of agricultural productivity; loss of property, injury and death from more severe storms, fires and flooding; and the spread of deadly disease vectors.
- perfluorinated chemicals (PFCs) is causing children, families and communities to suffer from developmental delays; impacted immune systems, liver, prostate or kidneys; and even cancer in our state.
- communities with a higher percentage of Black, Hispanic, Indigenous, low income, Asian/Pacific Islander and immigrant communities continue to be disproportionately targeted for high rates of pollution, industry and development.
- contaminated sites put nearby communities at risk of health hazards, and reduce property values.

WHEREAS, in recognition of these facts, bi-partisan bills have been introduced in the New Jersey Senate and in the New Jersey Assembly (2024-2025: [SCR43/ACR119](#), 2022-2023: [ACR72/SCR15](#), 2020-2021: [ACR80/SCR30](#), 2018-2019: [ACR85/SCR134](#), 2016-2017: [ACR295](#)), known as “The Green Amendment,” that would amend the state constitution to insert into Article I, New Jersey’s bill of rights, the right to pure water, clean air, a safe climate, and a healthy environment to coexist with our other constitutional rights we hold so dear including but not limited to the rights to hold property, speak, assemble, and worship;

WHEREAS, in recognition that to enact a Green Amendment in the New Jersey State Constitution the above-mentioned bill must be passed by the New Jersey State Legislature and then be voted on as part of a statewide referendum;

WHEREAS, if the Resolution (ACR119/SCR43) is passed by the Senate and then the Assembly, and if it is agreed to by the voters in a public question ballot referendum, this Green Amendment will be added to the Bill of Rights of New Jersey State Constitution;

WHEREAS, the [Municipal Body] supports the environmental protections, rights, and values that would be recognized and enforced by the Green Amendment and recognizes that clean water, air and a healthy environment protects the health and enhances the quality of the lives of all New Jersey residents, and that equitable access to the same should be the right of all people in our State;

NOW THEREFORE BE IT RESOLVED, that the [Municipal Body] supports the passage of the Green Amendment (ACR119/SCR43) by the New Jersey State Legislature in 2025 in time to be on the ballot in November 2026, wherein the voters may choose whether to add environmental rights to the Bill of Rights of the New Jersey State Constitution;

BE IT FURTHER RESOLVED, that the [Municipal Body] encourages its County-based legislative delegation to support ACR119 and SCR43 for full passage by the Assembly and Senate so that the voters of our great State and great County may choose whether to add the right to a clean and healthy environment to the Bill of Rights of the New Jersey State Constitution;

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to our State Legislative Delegation, Senate President Scutari, Assembly Speaker Coughlin, Governor Murphy, Green Amendments For The Generations**, [and any combination of the following as appropriate:

- local County Commissioners/Executive
- local municipal elected officials
- if a municipality, send to your county’s elected officials
- if a county, send to all the county’s local elected officials].
